Discovering IRELAND

Ireland is an island nation located to the north-west of continental Europe. Covering a total area of 84,421 km², Ireland is the twentieth-largest island on earth and the third-largest in Europe. This beautiful island is commonly known as the Emerald Isle, due to the green colour of its landscapes, rolling hills and valleys.

As part of this territory you will find **Dublin**, the capital and also the most populous city in Ireland. Originally founded as a Viking settlement, Dublin is now a very vibrant cosmopolitan city, rich in culture and one of the most popular destinations for international students.

Limerick City is almost 1,100 years old. It has been a Viking settlement, a medieval walled town, a Georgian city and is now a modern, vibrant metropolitan area with a rich and historic hinterland. The city is located close to some of Ireland's most amazing and unspoilt spots.

The total population of Ireland is estimated at **4.6 million** people

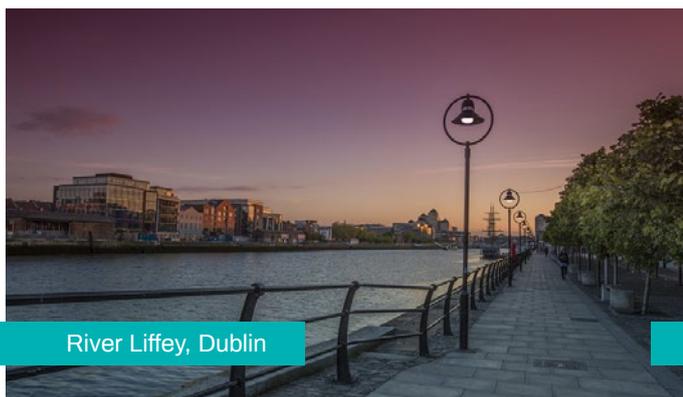

Language: **English & Irish (Gaeilge)**

Currency: **Euro**

Home to one of the top festivals in the world: **St. Patrick's Day**

Interesting facts about IRELAND

It is home to one of Europe's **cheapest airlines**. You can travel around Europe at budget prices and hassle free.

Dublin has a superb **bicycle scheme**. It allows you to move around the city cheaply and comfortably.

The three most famous symbols of Ireland are the green **Shamrock**, the harp and the Celtic cross.

Limerick, Ireland's third largest city, was **founded by the Vikings in 812**.

The landscape of Ireland is undoubtedly gorgeous and some sites have been **recognised as World Heritage Site by UNESCO**: Skellig Michael, the Giant's Causeway, Brú na Bóinne and Newgrange.

Phoenix Park in Dublin is the third largest walled city park in Europe after La Mandria in Venaria Reale (Turin) and Richmond Park in London. It covers 707 hectares.

The ancestral language of Irish people is **Irish Gaelic**. Nowadays 1.6 million people claim a self-reported competence in Irish, and there are an estimated 380,000 fluent speakers.

SCHOOL POLICY

1. PUNCTUALITY, ATTENDANCE, ABSENTEEISM & EXPULSION

All students are required to attend all of their classes and maintain an **85% attendance rate**. For each class, an official printed class attendance sheet is prepared by administration, which students are required to sign twice during class. These signed attendance sheets are filed and kept by **NED Training Centre** to maintain attendance records.

Tardiness is not tolerated and any student who arrives after class has commenced is required to wait until the class break before joining. Any student absent will be recorded as non-attendance unless a medical certificate or other appropriate evidence regarding the absence is provided. If a student is unable to complete his/her course with 85% attendance, **NED Training Centre** retain the right to expel the student without issuing four warnings. Attendance is a provision of a student's visa and non-attendance will result in expulsion and may result in loss of a student's permission to study or work in Ireland or both.

In the event that a student is unable to attend their class for any reason the student should inform the school by e-mail. Additionally, written confirmation giving the reason(s) for non-attendance is required and should be given to **NED Training Centre** administration at the student's earliest opportunity.

2. END OF PROGRAMME EXAMINATIONS

End of programme examinations are mandatory for all students at **NED Training Centre**. This fact is clearly communicated to students upon course purchase and is in accordance with Irish Immigration Authorities' regulations. The student agrees that they understand that the exam is mandatory and agree to sit the exam with a possible additional charge. Failure to sit this mandatory examination may result in the student being expelled and/or immigration authorities being notified. It also may affect the student's right to remain in Ireland.

3. PLACEMENT & CERTIFICATE

NED Training Centre places students in the morning/afternoon according to what was agreed upon course purchase. If a student did not pay the "morning fee" and wants to change to morning classes during his/her course, he/she has the option to pay the "morning fee" (€200) to be moved as soon as space becomes available. If a student started in the morning but wants to change to afternoon classes, there is no fee, but the move is subject to availability.

NED Training Centre Certificates are only given to students who (A) satisfy the 85% attendance requirement and (B) complete the mandatory end of course examination. Students receive a certificate at the level achieved upon course completion (this does not apply to short-term students).

QUICK GUIDE

1. PROOF OF SUFFICIENT FUNDS - € 3,000

In order to apply for your visa, the Immigration authorities require that students must be able to fully support themselves during their visa period - the amount of €3,000 serves this purpose. So, according to Irish Immigration authorities, the acceptable options are:

- A current bank statement showing sufficient funds (from your account in your home nation), not less than one month old, together with a past statement and a debit-card. The account and debit card, must be in the student's name (as it appears in his/her passport).

**NOTE: (All bank letters/statements must be accompanied by a sworn English translation).*

- Documentary evidence that money is held in trust for a student by a financial services body regulated in Ireland by the Central Bank of Ireland.
- A prepaid credit-card, with verification of the amount on the card. (The student's name must be embossed on the card).
- A statement in respect of an Irish bank account, showing sufficient funds.

2. HEALTH INSURANCE

After your arrival in Ireland; **request a Student Support Officer** to prepare your Health Insurance, before going to the Immigration Office. These documents take around 10 working days to arrive at **NED Training Centre**.

3. IRISH RESIDENCE PERMIT - IRP (VISA)

Before you go, make sure that your letters have been sent to the **Immigration Office**. You must submit the documents listed below to the **Immigration Office**:

- **Original Passport**
- **Enrolment Letter**
- **Proof of funds (€3000)**
(Bank statement, or any other option listed above)
- **Health Insurance**
- **Fee payment of €300***

** This fee can be paid by debit-card or Bank Giro. After your appointment and registration at the Immigration office you will receive your IRP card by post. It will not be given to you at your registration appointment.*

*** The Immigration Office address is 13/14 Burgh Quay, Dublin 2, Dublin, Ireland*

****Immigration Limerick: Students have to collect the IRP card after 2 weeks from the day of registration.*

Address: Henry Street Garda Station
Henry Street - Limerick City -V94 VY64

Important: the processing of all documentation takes around 30 days. Even with the month visa, you will have 90 days to legalise your situation in Ireland.

4. MORE INFORMATION

Racism, homophobic comments, bigotry, etc., will not be tolerated at any time. Aggression towards fellow students or staff members is strictly forbidden; any student who behaves in an aggressive manner will be asked to leave class and may face suspension or expulsion. During the course of your term, **NED Training Centre** will run some excursions to places of cultural interest. The teachers will prepare you in advance of your visit and at their discretion may issue you with a worksheet to be completed on the excursion. It is also important to note that students must have a book to attend their classes. Students without books will be forbidden to join the classes.

The PPS Number is a reference number used to gain access to social welfare benefits and public services. It is mandatory to have a PPS number to legally work in Ireland. **PPS is needed for:**

- **Employment in the country**
- **Applying for a driving licence or in order to change to an Irish licence**
- **Management of the water bill of your residence**

To apply for the PPS number, you need to have a passport and any bill that proves that you have an address in Ireland. You must have an employment letter to apply for this document. The booking is made through the MyWelfare website. Once made, it will inform you the place and date you must attend with your documents. After the appointment, it will take 3 to 5 working days for the document to arrive to your home address.

HOW TO OPEN A BANK ACCOUNT

To open a **Bank Account** you will need one valid form of **photo ID**, your **PPS number** and a **document to prove your address**. For the first one, you can use your passport, driving license or national identity card (if you're an EU citizen). In order to prove your address, you will need to show a recent utility bill, a recent bank statement or correspondence from a government department or authority.

HOW TO GET A POSTAL ORDER

If you are a visa-required student, a postal order is one of the options available to you to prove your funds to the Immigration service. You can get your postal order from a post office. The maximum amount per postal order is **€650**, so if you want to create your **€3,000** deposit, you will have to buy 5 postal orders (**5x 600€**). The fee for each postal order is **€4.50**. The total amount for the whole transaction will be **€22.50**. Please, note that the five transactions are done separately. At the end, you will receive five postal money orders with the amount of **600€** on each and these are the documents you have to take to Immigration. They will also provide you with a receipt. When you finish your visa process, you can return to the Post Office, to cash your postal order. You won't be able to cash it on the same day as you did the procedure.
